Notice to all Nuveen Natural Capital Recreational Permittees:

**Fire Season** is still in effect, and some areas of the forest are still dry. Nuveen Natural Capital's timberlands are open to **non-motorized access only**.

Any gate that may be open is for **active operations ONLY**. It can be locked at any time and will be locked at the end of each workday.

**PLEASE: No Smoking, Camping, or Campfires!**

We will notify you when it is safe to open gates and what gates will be open. Your understanding and cooperation are greatly appreciated.

Remember, your role is crucial in preventing forest fires. Be safe, prevent forest fires, and enjoy your time on our working forest!

Thank you for your continued support,  
Nuveen Natural Capital

**August 21, 2024**

Notice to all Nuveen Natural Capital Recreational Permittees:

Recreational access to all permitted areas is only allowed through designated access points. Access is prohibited through the locations marked in RED on the attached map.

Please remember ACTIVE operations areas are closed seven days a week. Any permittee found in these areas will be trespassed from the property.

Thank you for your continued support,  
Nuveen Natural Capital

**August 8, 2024**

Notice to all Nuveen Natural Capital Recreational Permittees:

For the safety of our permittees and our contractors, recreational access at Gate #95 (Drake Pit) on the Youngs River Mainline is no longer permitted.

We appreciate your understanding, be safe, prevent forest fires, and enjoy your time in our working forest.
